

TOWN OF PELZER

Town of Pelzer

Agenda for Council Meeting

Tuesday, February 12, @ 6:00 p.m.

Pelzer Community Building

25 Pelzer Park St., Pelzer

- Invocation
- Call to Order
- Citizen Input (Sign-Up Sheet)
- ❖ Approval of Minutes for January 17, 2018, Council Meeting.
- ❖ Additional Information on Leaf Bagger/Vacuum gathered for Council.
- ❖ Update on pothole repair – We received more Asphalt, and will continue working on this project, most of the upper mill had been completed except for the exception of Smith Street, and that will be addressed after we get the lower mill done because it will take a lot of product, but we will get it done. If there is some that we have missed in the upper mill minus the exclusion of the roads that will be repaved, please contact the office with the street and we will get to it.
- ❖ Trash update – Last Thursday was our first week of our new trash schedule, and there seemed to be some issues. We have been working closely with the trash company to make sure this does not happen going forward. They have new trucks, and with the new truck it has an arm on one side of truck to grab the trash can, so with saying that they go up one side of the street and come down the other side to get those trash cans. They have until 5:00 p.m. to collect all trash within the town. Please call the office with any issues, missed cans, and do not post on Facebook as we do not stay on Facebook daily but please do not call if you did not have your trash out the night before, as the new trucks also have cameras on them and if they got trash on both sides of your street they will Not be returning. We must do our part as well.
- ❖ Citizen Input
- ❖ Executive Session – If needed
- ❖ Adjournment
- ❖ Council and Mayor may take action following Executive Session on matters discussed in Executive Session.
