

Good afternoon everyone

We are getting ready to start planning our Christmas Market finally after such a crazy time with the COVID.

I am reaching out early to see how many of you would be interested in participating in our Market this year, this has been so successful the past few years that we were able to hold it and I believe this year will be the same if not better because so many are tired of being cooped up. We have decided to just have outside vendors this year, and just keep the inside for rest rooms and possibly Santa pictures if we can find a Santa willing. This year we had our first Freedom Festival/Parade on July 3rd, and it was a lot of fun and had a very good turn out for the first one and knowing every year it will be better. I am attaching the application so we can get going with the planning of this year's Market. I'm hoping to see a lot of you back and please as always if you happen to know someone who might be interested, please have them contact me and I will get them an application.
