

# TOWN OF PELZER

## Clarification of Water/Sewer Charges

### **Water (Greenville Water) WA RCB**– This

fee is for operating the water distribution system throughout the Pelzer Village. These rates pay Greenville Water, The GWS Capital Loan repayment, expenses for the line repairs, equipment replacement, and defrays a portion of employee expenses.

- Base fee – charged to every household is \$14.75, plus \$6.00 per 1,000 gallons of water consumed.

The Town of Pelzer has contracted with Greenville Water for 150,000 gallons of water, if we have excess usage then we have to pay an additional fee.

**Sewer – SW RCB** – Collection System ( Sewer Charge calculations are based on water meter readings/consumed water). These rates/fees are used for operating the sewer collection system throughout the Pelzer Village, repayment of the loans for Phase I, Phase II & Cost over loan, and also used to defray a portion of employee expenses.

- Residential - Base fee - \$18.05 – charged to every household, plus \$4.86 per 1,000 gallons of water consumed.
- Commercial – Base fee \$18.23 – charged to every commercial account, plus \$7.11 per 1,000 gallons of water consumed.
- Restaurant/Grocery Classification – Base fee \$40.03 - charged to every business that falls into that classification, plus \$7.11 per 1,000 gallons of water consumed.

REWA (Renewable Water Resources) – New rates as of 1/1/2018 REWA RES  
This fee is charged by REWA. The town serves as a Third-Party billing agent. Town of Pelzer accounts for and remits this fee to REWA for their sewer treatment process at the Osteen Hill Road facility.

- Residential – Base fee \$12.00 – charged to every resident, plus \$5.86 per 1,000 gallons of water consumed. ( Base fee went up \$1.00, and .25 on fee that is per 1,000 gallons water)
- Commercial – Base fee \$12.00 – charged to every commercial account, plus \$5.57 per 1,000 gallons water consumed.

Garbage – Waste Industries

- Flat fee of \$7.00, is charged to each residential customer per trash container.  
\* Waste Industries had increase to \$7.08 and to date the Town has not implemented new charge on bills. The Town is strictly a billing agent for Waste Industries.
